

Graduate Research Assistanship Starting Fall 2006

April 25, 2006

One of the departmental Teaching Assistantships (coming with its usual teaching duties) will be complemented by \$7,000 (Fall 06 to end of Summer 07) to work on the research project "*Generalized topology applied to evolutionary biology*" with professor [Frédéric Mynard](#).

Please contact him at fmynard@georgiasouthern.edu for inquiries and to apply for this special assistantship.
